

MINUTES FOR ROAD REVIEW

7-24-21

Meeting was called to order at 8:00 am by Chairman Hanson. Supervisors Goes and Daigle were also present. Review involved Mosch Road, Pickerel Lake Road, Turtle Lake Road, Beaver Trail Road, and Cranefoot Lake Road. The following decisions were made:

- Motion by Daigle, second by Goes to wait on paving Mosch Road. Motion carried
- Motion by Hanson, second by Goes to ditch and place stone on the area of Pickerel Lake Road by the first large hill. Motion carried.
- Motion by Hanson, second by Goes to start work on Beaver Trail and Cranefoot Lake Road. We will start on south end of Beaver Trail and complete Cranefoot Lake Road this year. Road will be built up with borrow from edge of roads and packed and will left to sit for a year prior to gravel. Initial budget will be \$20,000. Motion carried.
- Motion by Hanson second by Daigle to brush Turtle Lake Road with the brushing equipment used on Bear Trail last year. Road will be brushed from Beaver Trail to south Town line. Motion carried.

Other action will involve:

- Additional work to open culvert connecting Turtle Lake Road due to a bog plugging culvert. It was opened a couple times previously but is plugged again.
- Need Sign for Beaver Trail Road
- Need stop sign for Cranefoot Lake Road
- Need to locate town line signs on Cranefoot Lake Road and the south end of Beaver Trail Road
- Pickerel Lake Road will be added to the crack filling list
- Gary will get with Pitlick for recommendations on Hanson road and will bring recommendations to the town meeting for discussion.

Chairman Hanson made the motion to adjourn, with second by Supervisor Daigle and Supervisor Goes voting in favor.
