Good morning to all of you.

We have a lot of news about County Broadband this month. Remember this Thursday the 9th at the Harrison Town Hall
Here is the agenda:

1. County Broadband Commission plan actions to date
2. A new Lincoln County Economic Development Director (www.lincolncountyedc.org) Elsa Duranceau.
3. Updates from the recent UWEX Conference on the Bead Grant plans.
4. More Speed Testing: More strategies to increase test numbers
5. Charter/ spectrum status
6. Community Outreach - Face Book page

I ran into a problem trying to forward the minutes along with the agenda so I will bring copies.
